Based on Mary Roberts Rinehart’s 1908 novel “The Circular Staircase,” the musical begins as a wealthy spinster and her cockney maid take a beautiful Connecticut summer home in 1931. When they arrive, all the help has quit, except for a very odd butler who warns that something strange is going on. They are soon joined by the spinster’s niece who’s brought a friend... a “friend” who turns out to be a young man! Heavens! After a night of attempted break-ins, the sound of gunshots, and the discovery of a dead body – the detective arrives and things get REALLY strange!
