

More Ways to Give

Give in monthly installments by joining the **Producers' Circle** monthly giving program. Credit card payments will be charged around the 15th of each month. Membership in the Producers' Circle can be canceled at any time. Simply indicate your preference on a donation envelope or call Beth Levy at 503.906.2376 to enroll.

Multiply your gift at no cost to you by contacting your current or past employer (if you are retired) to request a matching gift form. Some companies match or even double employee gifts.

Ensure future arts funding by becoming a member of the **Encore Club**. Membership in the Encore Club is open to people who wish to include Broadway Rose in their estate planning. The level of support can remain strictly between you and your financial and legal advisors. Thanks to your legacy, the show will go on. Call deShauna Jones at 503.906.2377 for more information.

Share Broadway Rose with others by inviting friends and family to a show. It's an easy way to help ensure Broadway Rose will continue to grow, bringing music and stories to new audiences.
