

# WHO WE ARE

**Broadway Rose Theatre Company** has existed to create unparalleled musical theatre that invigorates audiences and enriches our communities since 1992. Your contributions play a critical role in the work we present and with your help we will continue to produce luminous work well into the future.

**Ticket sales only cover 65% of our costs.**

It is through the support of generous individuals like you that we are able to maintain our high artistic quality while producing new works, lesser-known shows, and beloved classics, offering educational programming for

local children, and nurturing developing theatre professionals from Oregon and beyond—all while keeping tickets affordable.

# THE ENCORE CLUB

The Broadway Rose Theatre Encore Club was created to recognize and thank donors who have made provisions in their estate plans for a gift to Broadway Rose Theatre Company, recognizing that the gift may be postponed until after their lifetimes.

Additionally, the Encore Club has been established to build long-term financial stability for Broadway Rose and to encourage, support, and celebrate gifts that ensure our theatre remains vital and vibrant for those who come after us. Deferred charitable gifts, also

known as planned gifts or legacy gifts, offer the greatest opportunity for both Broadway Rose and the donor. These gift arrangements are a way to reflect your commitment to the theatre, leaving a legacy of giving, as well as offering the opportunity to make a significant impact on theatre lovers of the future.

In addition, they often have considerable tax advantages for the donor and/or family members. The Encore Club is open to anyone who provides

**Your participation as a member of the Encore Club will help us create and share vibrant musical theatre for future generations.**

for a future gift of any amount to Broadway Rose Theatre Company. Encore Club members receive opportunities to participate in a variety of donor events and activities during the year and receive permanent recognition in all show programs. Please complete a Legacy Gift Notification Form with specifics on how you wish to be recognized.
